Department of Genetics,

U.S.A.

Dear Professor Lederberg,

In the absence of Professor Haldane I hasten to acknowledge your letter of April 26, 1960 which reached us on May 6, 1960. Professor Haldane left Calcutta for Kerala on May 4 and is due back here by May 16.

In regard to Professor Haldane's proposed visit to the United States to attend the Genetics symposium in Salt Lake City due in May, I have to inform you that the information you received is not correct. Professor Haldane is not attending the said symposium and is not therefore going to the United States now.

Thanking you,

Yours sincerely,

Ak Bhattacharya
